DAKAR 21st September, 1955

Lloyd's Register,

LONDON

Dear Sirs,

Renewal of Class of "ST. HONORAT"

We are much obliged to the Committee for extending the Classification and Freeboard Certificates of the "ST. HONORAT" up to the 31st December, 1955, after survey by your exclusive Surveyor at Lagos, Mr. Crawford.

In this connection, we assume that Mr. Crawford has drawn up a report on the repairs to be carried out at the renewal of class survey, and we should be glad to receive a copy of this report.

As the preparation of the sailing schedule of our ship is bound up with the date of the classification survey which we wish to anticipate, your early attention would oblige.

Looking forward to hearing from you,

Yours &c.
