

WOKINGHAM COPY.

9th January, 1942.

Dear Sir,

With reference to Glasgow Report No.64063 on Messrs. British Auxiliaries' Engine No.396, I think it well to inform you the Committee have today had before them a report from Ipswich to the effect that this machinery has been satisfactorily installed in the new Motorship "EMPIRE LAD", which vessel has been assigned a class of #100A1, together with the appropriate notations recommended by the Surveyor.

I am, Dear Sir,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
GLASGOW.
