Dear Sir,

"EMPIRE LAD"

We enclose the Report of Electrical Equipment in connection with the above vessel, and have to apologise that its return has been so long delayed. This has been due to our Compass Adjusters tardiness in supplying the requisite information which has only recently come to hand,

We have to point out they informed us that with up-to-date wiring there is no deviation between the states of current being switched either on or off.

Yours faithfully,  
FOR THE ROWHEDGE IRONWORKS CO LTD
