Certificate A. To be signed by Surveyor in respect of a partial or complete survey.

I have surveyed the ship named at the head hereof, to the extent indicated below, in accordance with the instructions contained in Ministry of Transport Circular 1687, and the requisite details of the survey have been entered herein.

Index Nos. of items examined.† († Insert "all" in case of a complete survey.)	Signature of Surveyor.	Place.	Date.
all	J. S. Watkins	Bowling	2nd February, 1960.

Certificate B. To be signed by Surveyor completing the survey.

I am satisfied

- (i) that the fittings and appliances for the protection of openings, the guard rails, the freeing ports and the means of access to the crew's quarters have been maintained on the ship in as effective a condition as they were in when the certificate was issued; and
- (ii) that no material alterations have taken place in the hull or superstructures of the ship which affect the position of the load lines.

I have endorsed the Load Line Certificate and the certified copy as follows:—

Signature of Surveyor J. S. Watkins. Place Bowling Date 2nd February, 1960.

Signature J. S. Watkins.
Date 3rd February, 1960.

Fee £ 4/1/- ✓ Trav. Exp. 4/1/-
Number of Visits One (1).

Particulars of any change from the conditions given on the Load Line Certificate or on Form C11 should be reported on Form C11 (contd.) and attached to the Form C11 on the Ship, a copy being forwarded to the Freeboard Department.

Surveyors should note that there is only one valid certificate, and the above endorsement should be made thereon. No entry should be made on a certified copy of the certificate unless the original certificate has been produced to and endorsed by the Surveyor.
