The Secretary,

LONDON.

Dear Sir,

## "SOUTHERN CLIPPER".

With reference to your classing letter of the 21st instant regarding the above newbuilding I would state:

1. 10 crankcase explosion relief valves with total area of 8300 cm<sup>2</sup> have been fitted. The error is regretted.
2. Satisfactory steam accumulation tests were carried out.
3. The Owners' Representative has been informed to have the relief valves of the Economiser adjusted to 180 lbs. per sq". This adjustment will be carried out by the Chief Engineer as soon as possible. When certificate available this will be forwarded through this Office.

Yours faithfully,

Rz
