Dear Sirs,

"STECKENPFERD"

With reference to Mr Dirk Auer's call at this Office and to the subsequent conversation over the telephone with him, I now return herewith the plans ( 8 in number), which he left here, and have to state that, as these are working drawings, it is not possible to compare them in toto with the approved plans and I regret we are unable to comply with the Owners' request.

The plan of midship section has, however, been compared with the records in this office and it is found that the main scantlings are in accordance therewith.

Yours faithfully,

pro Secretary. *J*
