Vessel's Name: Steamer "PREVEZE"

The Boiler Survey and Screw Shaft Survey for this ship falls due in January next.

The Owners are arranging for their two ships "SADIKLAR" and "REVAN" to be drydocked at Istanbul for General Examination, towards the end of this month, and request permission to defer the due surveys on "PREVEZE" until the end of April, 1955.

Sympathetic consideration would be appreciated in this case.
