Dear Sir,

"NISSHUN MARU"

With reference to your letter of the 16th instant regarding the above ship, and in reply, we have to inform you that as stated in our report the exhaust gas heated economiser safety valves still require to be adjusted and arrangements were made with the Chief Engineer for this to be dealt with at sea and a letter to this effect forwarded to us in due course.

We enclose an amended interim certificate as requested and confirm that both auxiliary Boilers were examined. Apologising for any inconvenience this may have caused.

Yours faithfully,

  
For the Surveyors.
