

Periodical Surveys, when held, must be reported in detail and serially in the terms of the Rules and items remaining to complete the Surveys should be summarised. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be summarised in the form shown below. Whenever the replacement of Anchors or Chains is reported the particulars should be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters respecting this case.

Dear Sir,

With reference to your letter of the 17th April, 1952 regarding the recommendation by the Karachi Surveyors for permanent repairs to the Starb'd Side indented shell, we have to state we were not aware of their recommendation at the time of survey in Kobe in January. The damage was specially examined and it has been recommended that permanent repairs be effected at the next drydocking. (See Kobe Report.)

Yours faithfully,

For the Surveyors.

The Secretary,
LONDON.
