Dear Sir,

Classn. (H)

s.s. "TRANSKIPPER"

Main Boiler Survey due 5.59.  
Last Drydocking Date 5.58.  
Class subject as per Special  
Reasons List No.173.

In view of the vessel being laid up in Japan, the Kobe Surveyors were informed on the 9th December last that in the circumstances the Committee were agreeable to the class remaining undisturbed in the meantime, provided the outstanding surveys were carried out before the ship again proceeds to sea.

In a memorandum dated the 26th February the Kobe Surveyors stated the ship is still laid up at Kasado.

I shall be glad if you will advise the Owners in New York regarding the above position of this case.

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,  
NEW YORK.

c.c. Kobe.
