11th June, 1959.

Dear Sirs,

Classn. (H)

## S.S. "TRANSKIPPER"

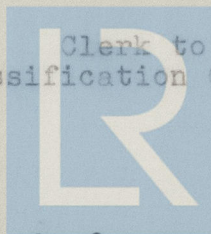

I have your letter and enclosure of the 8th June, the contents of which have been noted, and would confirm that no objection will be taken to the Boiler Survey being deferred as desired by the Owners.

Arrangements should, however, be made for the inspection in question, together with dry docking, to be carried out before the ship proceeds to sea after her contemplated lay up.

Yours faithfully,

The Surveyors,  
KOBE.

Clerk to the  
Classification Committee.
