Dear Sirs,

Steamer "SEA GEM"

Before your Report No.22013 receives the consideration of the Committee, I shall be glad to learn whether this ship remained in drydock from the date of the examination of the screwshaft (27.4.62) until the date of the last examination in drydock (10.5.62). If so, the date assigned for the Screwshaft Survey should be May, 1962 and an amended interim certificate should be issued. In this connection I would refer to Instructions to Surveyors, part 3b 1957, page 24.

Yours faithfully,

Deputy Clerk to the  
Classification Committee

The Surveyors,  
BRISTOL.
