QUESTION

ANSWER

Date:— **28th May, 1955.**

With reference to your letter of the 25th November last, I shall be glad to learn whether this vessel is still laid up.

You will observe that the Special Survey becomes due at the end of the present month.

This vessel is still laid up at Ceuta, and according to Lloyd's Agent there who has been in touch with the Owners at our request regarding the Special Survey now due, it is stated that on account of financial reasons there is little likelihood of the vessel going back into service for some considerable time.
