The Secretary,  
Lloyd's Register of Shipping,  
71 Fenchurch Street,  
London, E.C.3.

Dear Sir,

We are advised by the Owners of the s.s. "INCHCASTLE", Messrs. Williamson & Co. Limited of Hong Kong, that this vessel is arriving in Adelaide. In view of cargo and Charter commitments they find it extremely difficult to arrange for the Annual Freeboard Survey, which has been extended until the 21st of this month, to be carried out.

As the vessel is returning to Japan for discharge and the vessel will be submitted to a general examination in Japan, which they expect to take place on or about the 20th April, it would be appreciated if the Freeboard Survey could be carried out at that time.

We would be obliged if this matter could have the favourable consideration of the Committee.

Yours faithfully,  
for and on behalf of,  
HARLEY, MULLION & CO. LIMITED.

Technical Director.
