Dear Sirs,

I am in receipt of your letter of the 4th instant enclosing your verification of marking form for the M.S. "SUD ATLANTICO", but with regard thereto I have to state that it is not permissible to mark two independent freeboards on a vessel's sides, and as the Committee of this Society have already approved of the Norske Veritas assignment as complying with the conditions of the vessel's class, you should arrange to have the British Freeboard markings deleted.

In this connection I shall be glad if you will forward an amended Rpt.12 giving the figures as marked in accordance with the Norske Veritas assignment.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
COPENHAGEN.

Secretary.
