Steam Trawler "ST. CHAD"

Dear Sir,

Reference

"S".

We beg to acknowledge the receipt of your Classing letter of the 1st instant respecting the above vessel, and note your remarks.

With regard to your request for Makers' Test Certificates, we have to state that as in the cases of the "SKULI MAGNUSSON" and "JON FORSETI" (our letters dated 9th August and 21st September), we have so far been unable to obtain these documents. We are, however, persisting in our endeavours and will forward all the certificates required as soon as practicable.

The engine driving the 10 K.W. Generator was ordered by the Owners and it is understood from their Superintendent that this was not built under the Society's survey.

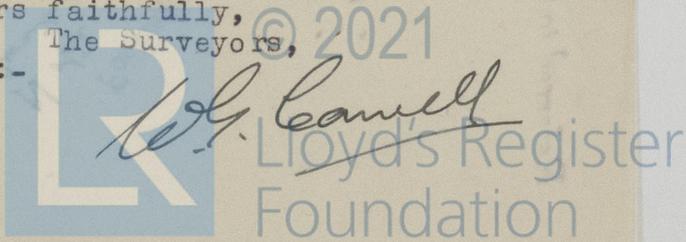

Yours faithfully,
The Surveyors,
