

Non-propelled Dredger "AMUR"

- Hak.F.E.Rpt.No.840.

Before this case receives the consideration of the Committee IT IS SUBMITTED the Surveyors be advised that in view of the recommended class i.e. *100A1 "Dredger" "For Coastal Service" (limits to be defined) ~~"River and Inland Water Service"~~ the class *100A1 "Dredger" "River and Inland Water Service" as recommended in their Report 1 is incorrect, and their comments requested and the service limits defined.
