Dear Sirs,

M.S. "GENERAL VII"

It will be observed that this vessel has not been seen since built i.e. April, 1962, and in the circumstances, I shall be glad to learn as soon as possible what early arrangements the Owners propose making for further drydocking to take place.

The Screwshaft Survey became due at the end of April last and the Owners intentions regarding this inspection are also desired.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
LONDON.
