

Lengkeng

With regard to Djakarta Report No. 6099 and letter dated 14.5.63 it appears that, in fact, the Surveyors rendered no account for the fees, but treated the matter as a bad debt. I raised this matter with the Accounts Department, & M. Vieths has agreed with M. Naneauon that, in view of the time which has elapsed, nothing further can be done. In such future cases where no fee is charged, the matter will be referred to Admin (F) for confirmation of a nil fee.
