Further I enclose the Certificate AUG 2502/B74 for the 3 cylinder emergency diesel alternator engine.

Regarding the certificate for the wing propeller spare screw shaft there has happened a type writing error to my report 8382M/Rpt.46 in so far as said shaft was actually not found marked SHF 12866 H.H. but SHF 12877 H.H. Said shaft is included in the certificate SHF C. 24318, which I already have sent you together with the rest of the certificates.

I remain, Dear Sirs,  
Yours faithfully,
