Dear Sirs,

m.s. "INDIAN REEFER"

With reference to the Special Survey, due at the end of September last postponement of which until the end of next month approved, in reply to enquiry the Copenhagen Surveyors state that this ship is now owned by a German company, has been converted to a passenger ship and is trading between the Continent and Helgoland. I shall be glad if you will look into this case and furnish me with the new Owners intentions regarding classification with this Society and proposals for carrying out the Special Survey. Any information regarding the stated conversion will also be appreciated.

It is understood the vessel has now been renamed "Roland Von Bremen".

An early reply will be appreciated.

Yours faithfully,

*ce Pubs.*
