Lloyd's Register of Shipping,

High Close,
16th May, 40
Wokingham, Berks.

S SUNDERLAND

"GRAIGLAS"

(Your First Entry Report)

Amongst the Special Notations for the Register Book quoted on Page 4 of the hull report on this vessel is E.S.D. On Page of the report on the vessel's electrical equipment appears the word "No" against query "Is vessel equipped with E.S.D?" I shall be glad to learn which is correct.
