The Secretary,
London.

Dear Sir,

M.S. "CUTRAL CO"
Mvo. Rpt. No. 2296

I have your letter of the 27th. January 1965 and have to confirm that the port and star feed water tanks also the port and star fresh water tanks were both examined internally and tested at the special survey and the failure to include these items in the report is regretted.

The drain tank is referred to in the report as the "Boiler feed D.B. tank", and the test of the cofferdams is included in the note on the test of Cargo tanks, Cofferdams and Pump Rooms.

A report 8 (Rig.) is enclosed herewith and this omission is also regretted.

Yours faithfully,
