S.A. fee -

I have surveyed the above-named ship in accordance with the Rules for Drydocking and Annual Local Line Survey.

Wear and Tear Repairs.

- 1. Doubling plates fitted around P & S hause pipes - plating indented and locally wasted.
2. Other repairs of a minor nature also effected.

The items now surveyed are detailed on this report. All were found or placed in good condition unless otherwise stated. I recommend, therefore, that this ship remain as classed with/witout fresh record of dry docking 5/66 subject to any outstanding conditions of Class being dealt with as previously recommended.

(Where conditions of class are recommended to be retained, imposed, amended or deleted, particulars must be stated above and on the interim certificate.)
