Messrs. United Shipping Lines Ltd.,
CHITTAGONG.

Dear Sirs,

UNITED 6, 9, 11, 12 & 14
ANNUAL SURVEY.

I refer to recent correspondence and telephonic conversations regarding the Annual Surveys of the above barges.

I am directed by the Committee of Lloyd's Register of Shipping to remind you that the concession allowing the Barges to be dry docked at four yearly intervals was granted only provided that Annual Surveys are regularly held afloat, as this is not being done, withdrawal of Classification is contemplated unless definite arrangements are made for the surveys to be held.

I would request an immediate reply to this letter as I am being pressed by my Principals to provide proof of the Owners' intentions.

Regarding "UNITED SIX" I refer to your letter of the 9th February, 1967 in which you state that the original and copy of the Load Line Certificate had been lost; fresh certificates have now been obtained from London and will be issued upon completion of the Annual Survey.

Yours faithfully,

Sd/-
