RNC/EHY Dear Sirs,

Motorship "UNRYONG"

The case of the above-named ship has received the consideration of the Committee today in connection with your letter of the 28th instant which has crossed mine of the same date.

In the circumstances, the Committee have decided to assign a notation of "Special Survey incomplete - Class suspended 8.62".

With regard to the question of the lifting of the class suspension, it will be in order to inform the Owners that the class can be restored if a Special Survey is held when the ship is next drydocked, and perhaps it would be better, at a later date, to raise the question of the nature of the survey required when more definite information is known as to when the drydocking will take place.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
YOKOHAMA.
