Dear Sir,

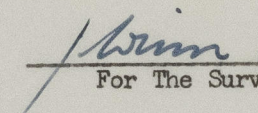

M.V. "UN RYONG"

We enclose a copy of a letter to-day received from the Owners of the captioned ship, in which they ask for a further postponement of Classification Surveys, although grounding damage repairs have been recently undertaken under the supervision of surveyors from the Korean Register of Shipping; we understand that our Acting Surveyor in Korea was not requested to attend.

Whilst it is appreciated that further postponement of the overdue Special Survey (due 3/61) could not be granted, before answering their letter, we shall be glad to know whether or not Class could be suspended until the next drydocking when, if all requirements of a Special Survey were then satisfactorily undertaken, Class could again be resumed.

A copy of the Owners' letter dated 3 August 1962 is also enclosed for your reference.

Yours faithfully,

For The Surveyors

The Secretary,
LONDON.
