Dear Sirs,

Motorship "UNRYONG"

The case of the above-named vessel has received the consideration of the Committee in connection with your letter of the 13th February and Report No.4084.

The Committee note the difficult circumstances with which the Owner is faced in fulfilling our requirements and in order to assist as far as practicable the Committee will be agreeable to the overdue Special Survey being deferred until June next as desired.

I take this opportunity to acknowledge the receipt of your other letter of the 12th February concerning the due date of the Special Survey. I would point out that the survey actually fell due in March 1961 and not December 1961 as stated in your letter and the report and certificates have been amended accordingly.

It is concluded you will inform the Owners of the approval of the postponement of the survey.

Yours faithfully,

c.c. Classing Letter File

Clerk to the
Classification Committee.

The Surveyors,
YOKOHAMA.
