Dear Sir,

"LOZOVAYA"
Kobe Report No.11835

RECEIVED
3 FEB 1964
[Handwritten signature]

We refer to your classing letter of 24th January, 1964, and have to confirm that, as stated in our Rpts. 4c and 13, the number of 350 kVA generators installed on the above ship is three.

Copies of the certificates for the economiser, 100kVA diesel generator engine and emergency air compressor engine will be forwarded to you in the course of the next few days.

Yours faithfully,

[Handwritten signature: C. R. Allan]

For the Surveyors.

The Secretary,
LONDON.
