LLOYD'S REGISTER OF SHIPPING

Port of Piraeus,

Date 3rd June, 1964.

This is to Certify that I have

surveyed the M.T. "ABSOPOS" ex. "LUCERNA" Gross tons 11292 of Piraeus

as she lay afloat and in drydock at Syra on 6th and 7th May for Docking Survey and Commencement of General Examination for postponement of Special Survey (c) due June, 1964 until June, 1965,

and that I am transmitting to the Committee of Lloyd's Register of Shipping, London, a report, stating that all repairs recommended by me have been completed to my satisfaction, also that I am

recommending that she be continued as now classed with fresh record of Drydocking DS 5,64, without special condition with regard to shell plates Nos. A4 (p.s.a.) and A4 (p.s.f.) but subject to any other outstanding conditions of class being dealt with as previously recommended.

To complete the general examination of the hull the Fore and Aft peak tanks remain to be examined internally.

J.C. Harrison

J.C. Harrison.

Surveyor to Lloyd's Register of Shipping
