Dear Sirs,

Motorship "ALDERAMINE"

I duly received your letter of the 9th May regarding the above ship, the contents of which have been noted.

This case has now received the consideration of the Committee, who have given instructions for a notation to be recorded in the Register Book indicating that the class of the ship has been withdrawn at the Owners' request.

I would inform you that a Special Survey of the hull and machinery of this ship has recently been completed at Palermo and notations of SS Pal. 3.59 and CS 3.59 have been assigned.

I shall be glad if you will inform the Owners accordingly and at the same time transmit to them the enclosed Classification Certificates in respect of the Special Survey of the hull and machinery.

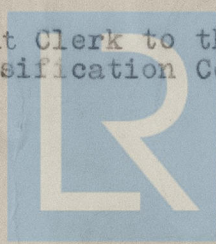

Yours faithfully,

c.c. Palermo Surveyors

Assistant Clerk to the
Classification Committee.

The Surveyors,
GENOA.
