Dear Sir,

s.s. "KEREMPE"

Thank you for your letter of the 13th April.

The Owner has been advised accordingly, and he states that the ship will arrive here in one week from now and will be drydocked for examination, at which time he will decide whether or not to proceed with further examination of tanks, etc., as required.

Yours faithfully

For the Surveyors,

*Ben. Gresham*

The Secretary
