Dear Mr. Turner,

"MARIAROSA AUGUSTA"
Trieste 1st Entry Rpt.
N°.14790

We have just received the Classing letter for the above vessel in which it is stated that the approved plans of Midship Section and Profile and Decks together with the 'As Built' Profile plan have not been received.

I can assure you that these plans were forwarded under separate cover and before requesting the Yard to supply certified copies, I shall be much obliged if you could make further enquiries at your end, as all the plans were forwarded in two separate packages as we are limited to a maximum of two kgs. per package.

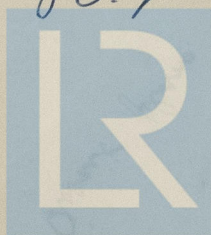

With reference to the 'As Built' Profile Plan, this is incorporated on the Midship Section and no separate profile is prepared in the drawing office here.

I am now preparing the first entry on Yard N°.1834 and I am enclosing the type of Profile plan I propose to forward which is exactly the same type as forwarded for the "MARIAROSA AUGUSTA". I hope this will be in order as it will be very difficult to obtain two separate plans for Midship and profile. *section*

Yours sincerely

D. Turner, Esq.
