reference

Dear Sir,

"MARIAROSA AUGUSTA"
C.R.D.A. Yard 1826.
Trieste 1st Entry Rpt.N°.14790

W.T.Boilers

We have made repeated attempts to obtain the Surveyors' Certificates for the water wall headers (6), the superheater headzrs (4), the B. & W. stud tubes and the Foster type safety valves fitted to the steam drums which were substituted for the Crosby valves originally ordered for this vessel.

At the time of completing our first entry the above certificates had not come to hand.

When received these will be forwarded to you for filing with the enclosed certificates.

Yours faithfully

For the Surveyors

The Secretary
