QUESTION

ANSWER

According to the records in  
this Office the vessel has not  
been examined in dry dock by the  
Society's Surveyors since she was  
at it in February, 1961.

I shall be glad to learn what  
arrangements have been made by the  
owners for a Docking Survey to  
be carried out.

Date:— 3rd September 1962

The Port & Lights authorities  
state that a docking survey will  
be carried out when their dry  
dock becomes available as expec-  
ted but not assured November next.  
I add here that the mentioned dock  
is always occupied by naval crafts.
