Dear Sir,

Ferry Boat "ESTREMADURA"  
Viana do Castelo Yard Nº 48 - Lisbon Report 8985

We have your letter of 30th March regarding the above and would mention that the certificates pertaining to the Hull report were attached to same and were sent to you on the 25th February.

The plans regarding the hull were sent under separate cover, on the same date, but distinctly noted with the ship's name, Lisbon report Nº, etc., and we hope that you have now been able to trace these.

As stated on the machinery report, machinery plans require to be retained for the sister vessel which has now been completed and these plans will be forwarded within the next few days with the report of the latter vessel.

Yours faithfully,

*J. H. Nanni*
