Dear Sir,

In reply to your letter of the 18th November regarding the tug "EMPIRE PERCY" we beg to advise you that the Yard No. of this vessel was 384.

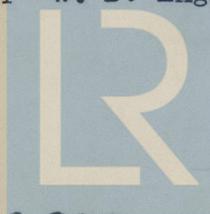

The matter has been discussed with the Builders, messrs. Richard Dunston Ltd., Thorne, and in accordance with your suggestion they are arranging to fit two breast hooks in the bow between the deck and the floor of the chain locker of the sister vessels Yard Nos. T.385/6.

We are, Dear Sir,  
Yours faithfully,

THE SURVEYORS

The Secretary,  
LONDON.
