Sir,

We beg to submit herewith for the consideration of the Committee plan of Main Boiler as already fitted in Tug "M.MORAN", owned by The James Dredging, Towage & Transport Co, Ltd, Southampton, which vessel they desire to have classed with Lloyd's Register of Shipping.

The plates have been drilled and the thickness are such as are shewn on the plan.

Time does not permit in this instance to check plan.

The boiler has been built in America as entered in the Register Book.

We are, Sir,

Yours faithfully,
