Dear Sir,

M.S. "FIONETTA"

With reference to the letter, reference ADMIN, of the 13th September regarding your forthcoming visit to Bangkok, I would inform you that the Committee authorised the late Mr. D.C. Knott to carry out the Special Survey of this vessel and further agreed to this inspection being postponed until July, 1963.

In the circumstances, there is no information in this Office as to whether this inspection has been held, and I shall be glad if you will ascertain and let me know the position regarding this matter, and if the survey has not been held, what arrangements are proposed to be made for this inspection to be held.

The hull class is subject to a new anchor and 45 fathoms of chain cable being supplied at the earliest opportunity, and it was agreed that this matter would be dealt with at the same time as the Special Survey.

Yours faithfully,

Clerk to the  
Classification Committee

P.W. Mason, Esq.,  
YOKOHAMA
