Dear Sir,

Motorship "FIONETTA"

With reference to the letter addressed to this office by the Owners' Thailand branch on 28th December last, a copy of which they state was sent to you, it was noted that you would be informed when the 45 fathoms of chain cable were to be installed on the ship.

It had previously been agreed that the Special Survey due last January might be deferred until the present month and as this is a first Special Survey of a small ship, the Committee are quite prepared to authorise you to undertake the survey when so desired by the Owners.

It will therefore be appreciated if you will keep in touch with the Owners and see that the survey is passed this month or that any alternative proposals are forwarded to this office for consideration.

Yours faithfully,

Clerk to the
Classification Committee.

D.C. Knott Esq.,
BANGKOK.
