This is to Certify that I have

surveyed the M/V "M.H. THAMRIN", 7330 Gross tons of Djakarta whilst she lay afloat at Suez on the 15th April, 1965 and subsequently for general examination for postponement of special survey (A) due February 1965 until February 1966,

and that I am transmitting to the Committee of Lloyd's Register of Shipping, London, a report, stating that all repairs recommended by me have been completed to my satisfaction, also that I am recommending that she be retained as now classed without fresh record of survey subject to any outstanding condition of class being dealt with as previously recommended.
