10th March, 1913.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 8th instant requesting to be furnished with the certificate for your Engines No. 2210 which have been fitted into Messrs. G. H. Walker & Co's No. 206 vessel, and with regard thereto have to acquaint you that the fees for the survey of the hull have not yet been paid by the Builders and it would be contrary to the Committee's practice to issue the classification certificates until all the fees have been received. I have, however, telegraphed to the Society's Surveyors at Newport regarding the matter and as soon as payment has been made I shall have pleasure in forwarding you the machinery certificate as desired.

I am, Dear Sirs,

Yours faithfully,

Messrs. Plenty & Son, Lim.,
Eagle Iron Works,
NEWBURY.

Secretary.
