In view of the fact that the barge operates exclusively inside the Harbour limits at Wellington, the Owners now write stating they do not consider there is any necessity to continue the class and requesting that this may be withdrawn.

The Classing Committee had the case before them on Friday, the 6th instant, when in the circumstances they decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
