A/Cs. Dear Sir,

With reference to previous correspondence regarding the financial situation of the Chantiers Navals de Bruges we have to inform you that we have now received the official classification certificates from "Classn.C" Department, for Yard No. 34, M.V. "JANAKI".

The fee for this first entry is still outstanding, and in the circumstances we should be glad to know whether it will be in order to hand these documents to the Yard.

Before taking this action you might, perhaps, consider it preferable to draw the Owners' attention to the non-payment of our fees or to have these certificates despatched direct to the Owners instead of to the Builders.

Yours faithfully,

The Surveyors,
per, -

(Sgd.) R.Lascelles

The Secretary,
LONDON.
