

28th August, 1958.

ANTWERP.

33758,61,76,77,82,802 - As recommended.

RMC. 33805,06,17 - As recommended.

33750 "JANAKI" - This ship has now been classed +100A1 together with the appropriation notations recommended by you.

I shall be glad if you will furnish a capacity plan so that particulars for the Register Book can be completed.

In future cases Page 1 of the Rpt.4b in respect of fitting out must be completed. In this instance please let me know whether the engine is fitted to the tank top or built up seating.
