Dear Sirs,

Motor Tanker "MARTHA".

I have your letter of the 4th instant.

There seems little doubt that this ship is no longer entitled to retain her class with Lloyd's Register, and the Committee, therefore, consider they have no alternative but to record a notation of "class withdrawn - reported defects" against the vessel's name in the Supplement.

It is noted from the Shipping Press that the vessel passed Gibraltar on the 4th instant, and the Committee naturally desire the Owners to be informed of the decision at the earliest possible moment.

I have, therefore, telexed you this afternoon, and conclude that by the time you receive this letter you will already have notified the Owners.

Yours faithfully,

Classification Manager.

The Surveyors,  
PIRAEUS

Informed Lloyd's of this decision and explained that it would appear in next Friday's letter to them. 6 7.10.66
