

22nd November, 1949.

Dear Sirs,

M.V."STEINGRIM STANGE".

D.O.

With reference to your letter of the 17th instant forwarding particulars of the Russell Newbery Diesel Generator installed in the above vessel, I have to state that this engine, No.44L-1, Lon.No.117771, has presumably been fitted in the "HOEGH ROVER" as stated in your letter of the 25th May last respecting that vessel, and I shall therefore be glad if you will kindly clarify the position.

Yours faithfully,

The Surveyors,
SUNDERLAND.

pro.Secretary.
