QUESTION

ANSWER

With reference to the last paragraph of your letter of the 13th August, I shall be glad to learn how the case now stands.

The Screwshaft and Boiler Surveys became due at the end of June and August last respectively.

Date:— December 8, 1959

Vessel still laid up at this port. Owner's Representative has not yet returned to this country for discussion of reason for bottom shell pitting.

It is noted Screwshaft and Boiler Surveys became due at end of June and August last respectively.
