Gentlemen:

S/S "PINNACLES"

Replying to your letter of August 19th, I wish to advise that the report has already been forwarded.

Our report and invoice to the vessel were dated March 10, 1959. We received payment from the Port Everglades Terminal Company, agents, on March 17th, and we included the settlement for the fee on Form No. 54 dated March 31st.

We can only add that the copies directed to New York were mailed at the same time but if you confirm that they have not been received by you we will write additional copies for you.

We wish to point out that only a Report 10 was written in this case regarding general condition of mooring lines.

Yours very truly,

*Fred H. Hallbauer*
