11th July, 1962.

Dear Sir,

Motorship "PIETER" ex "ESSO 5".

C.

AH/SM

I enclose a copy of a letter dated the 6th instant, which has been received from Messrs. D. Lijnzaad N.V.

Provided you are satisfied that this Company is representing the new Owners, you may inform them that this ship was built for the British Admiralty, and not under the Special Survey of this Society's Surveyors, so that particulars of the mild steel used in the original construction are not available.

All material used during the classification and conversion to a tanker in 1948 was, however, to the Society's requirements.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

P.H. Van Der Weel, Esq.,
ROTTERDAM.
